

# MAD Academy Song Lyrics

## **Gonna Build A House**

Gonna build a house  
Gonna build a house  
I've got my tools  
Gonna build a house  
I've got my saw  
I've got my spanner  
I've got my drill  
my big old hammer.  
Gonna build a house.  
A great big house.

I'm sawing back and forth,  
Cutting the plank in two.  
We've got to keep on sawing  
'till it's cut right through.  
Repeat.

Gonna build a house  
Gonna build a house  
I've got my tools  
Gonna build a house  
I've got my saw  
I've got my spanner  
I've got my drill  
my big old hammer.  
Gonna build a house.  
A great big house.

I'm building up the wall  
piling up the bricks.  
I'm spreading on cement  
To make sure they all stick.  
Repeat

Gonna build a house  
Gonna build a house

## MAD Academy Song Lyrics

I've got my tools  
Gonna build a house  
I've got my saw  
I've got my spanner  
I've got my drill  
my big old hammer.  
Gonna build a house.  
A great big house.

I'm drilling lots of holes  
In the wooden door.  
And once I've finished this one  
I'll start to drill some more.  
Repeat

Gonna build a house  
Gonna build a house  
I've got my tools  
Gonna build a house  
I've got my saw  
I've got my spanner  
I've got my drill  
my big old hammer.  
Gonna build a house.  
A great big house.

Gonna build a house  
Gonna build a house  
I've got my tools  
Gonna build a house  
I've got my saw  
I've got my spanner  
I've got my drill  
my big old hammer.  
Gonna build a house.  
A great big house.

I'm climbing up my ladder

## MAD Academy Song Lyrics

Climbing up so high.  
I need to paint the roof  
Perhaps I'll paint the sky!  
Repeat

Gonna build a house  
Gonna build a house  
I've got my tools  
Gonna build a house  
I've got my saw  
I've got my spanner  
I've got my drill  
my big old hammer.  
Gonna build a house.  
A great big house.

Gonna build a house.  
A great big house.

Gonna build a house.  
A great big house.
