FREE TRIAL CLASS!!!

Hi!

Thank you for your enquiry about MAD Academy. MAD Academy classes for preschool children are bursting with energy and fun! Each week we combine lively music and dance, with carefully structured learning, designed for the specific age and developmental stage of your child.

We sing and dance to lots of popular songs which you will already know, as well as a few new funky ones of our own. Children are introduced to a wide range of music, whilst being given the chance to explore different rhythms, musical instruments and musical styles. Dance and movement are key elements of every session and we play lots of games which are guaranteed to be fun and motivational!

“MAD is by far the best child’s music and dance class I have been to. Each week there are different songs and activities. A wonderful fun and energetic class!” – Penny’s mum

As well as ensuring each child has a fantastic time, we give them the opportunity to share some fun time with your child. At MAD we believe in a free-spirited approach to learning which means that if your child doesn’t want to join in an element that’s fine. The ethos at MAD Academy is a relaxed and fun time for the children and this will, we hope, rub off on you! Come and experience it for yourself!

What to Expect at a MAD Academy Class!

A fun, free-spirited class specially designed to captivate your child.

MAD Academy is a mixture of high-energy music and dance combined with carefully structured learning. This gives your child an opportunity to develop motor skills, co-ordination and confidence, as well as giving them the chance to explore different rhythms, musical instruments and musical styles. The ethos at MAD Academy is a relaxed and fun time for the children and this will, we hope, rub off on you! We enjoy a free-spirited approach, which means that if your child wants to run (or crawl) off and explore for a while, that's fine.

MAD Academy aims to make you and your child feel welcome as soon as you step through the doorway. We use lots of popular songs, which you will already know, as well as a few new ones of our own. Don't worry, you won't be expected to join in if you don't know a song, in fact, you can choose not to sing at all if you prefer not to. But songs are not the only part of the class, there are many other elements too:

Classes include:

- Dancing and movement
- Songs and singing
- Instruments to play and explore
- Educational games involving listening and music
- Responding to and creating rhythm patterns
- Exposure to a wide variety of styles of music
- Motor and co-ordination development through games and activities

"My daughter absolutely loves MAD Academy and gets very excited when I remind her about it. She loves the freedom in class to get up and dance if she wants to or sit on my knee. We've tried lots of classes and MAD is our favourite." Mum of Eve (22 months)

Whilst being fun and free-spirited, the curriculum at MAD Academy also aids development; physically; emotionally; and intellectually. It is based around the Foundation Stage Early Learning Goals – defined by the government.
